

Kay Dawes

Senior Consultant and Director

Providing HR advice and consulting in Adelaide.

Kay is a Human Resources consultant with 10 years' experience in industry, health, not-for-profit and insurance companies. With strong industrial and legal knowledge Kay is adept in Award and legislation interpretation and advising on wages and employment terms and conditions.

Kay is passionate about setting up human resources functions and processes from scratch and ensuring small and medium businesses have the HR support they need. From a background in Accounting and Finance, Kay has honed her Human Resources skills across the globe, working in Europe, India, The Middle East and Australia.

Whether it's getting your first person on board, implementing performance review systems that suit your company or mixing things up a little with intense team building exercises, Kay will have the solutions for you. Kay also holds an SA Investigator's License and can undertake independent and confidential investigations and interviews.

What Kay's Clients Say

- *'Thank you Kay, you've made a painful process simple and straightforward.'*
- *'Kay is extremely professional and thorough in her research, preparation and communication.'*
- *'Kay takes time to get to know a client and their needs prior to developing a training package that addresses the core needs of her client's business.'*
